

# Ohps\_P E27

Pendelleuchte | 220-240 V | 1xE27  
10383

| Technische Daten                                    |                 |
|---|-----------------|
| Typ   | Oberfläche      |
| Installationsposition                               | Decke           |
| Installationsumgebung                               | Indoor          |
| Anschluss der Leuchte                               | 1 x E27 Max 46W |
| Light emission direction                            | downward        |
| Frequency   | 50-60 Hz        |
| Optik   | Diffuses        |
| Isolierklasse                                       | 1               |
| IP  | IP20            |
| IK  | IK10            |
| Glühdrahtprüfung                                    | 650°            |
| Direkte Montage auf normal entflammaren Oberflächen | Ja              |
| CE  | Ja              |
| Leuchte dimmbar                                     | Nein            |
| Schwenkbarkeit                                      | Nein            |
| Drehbarkeit   | Nein            |
| Begehbarkeit  | Nein            |
| Überrollbarkeit                                     | Nein            |
| Einschließlich Kabel                                | Ja              |
| Kabellänge  | 2.3 m           |
| Harzbeschichtung                                    | Nein            |
| Nettogewicht  | 6.000 Kg        |

| Oberfläche Gehäuse  |            |
|---------------------|------------|
| Material            | PE         |
| Farbe               | Weiß       |
| Oberfläche Diffusor |            |
| Material            | PE         |
| Farbe               | neutral    |
| Oberfläche Fassung  |            |
| Material            | Eisen      |
| Bearbeitungstyp     | Lackierung |

Pendelleuchte | 220-240 V | 1xE27  
**10383**

## Illuminotechnical Eigenschaften

|                                 |        |
|---------------------------------|--------|
| Lichtstrom (Lichtquelle)        | 700 lm |
| Farbwiedergabeindex             | 100 Ra |
| Verbindungstemperatur (Leuchte) | 80     |
| Standardumgebungstemperatur     | 25°C   |

Single emission pendant luminaires for indoor application. Compatibility:  
LED lamp, halogen 46 W, compact fluo 20 W; lamp cap 1xE27.

The device body is made of pe and features a white finish; the diffuser is made of pe; the mounting frame is made of iron, processed by means of coating. The ingress protection degree is IP20; the total weight is of 6.000 kg.

. The power supply cable is included and features a 2.3 m length.

The device features protection class I and can be ceiling-mounted.

Compliant with the EN 60598-1 standard and its specific provisions.
