| Technical data                                 |                  |
|--|------------------|
| Type   | Bollard          |
| Installation position                          | Floor            |
| Installation environment                       | Outdoor          |
| Light Source                                   | LED              |
| Circuit structure                              | arrayLED         |
| Optics   | Asymmetric 360°  |
| Light emission direction                       | downward         |
| Nominal power                                  | 0 W AC           |
| Input voltage range                            | 200-264V         |
| CCT / Tone                                     | 4000 K           |
| Colour rendering index                         | 80 Ra            |
| C.C. / C.V.                                    | AC               |
| Safety class                                   | 1                |
| IP   | IP65             |
| IK   | IK09             |
| Glow wire test                                 | 850°             |
| Direct mounting on normally flammable surfaces | Yes              |
| CE   | Yes              |
| Dimmable article                               | No               |
| Directional                                    | No               |
| Tilting  | No               |
| Walk-over                                      | No               |
| Drive-over                                     | No               |
| Cable included                                 | No               |
| Resin potting                                  | Yes              |
| Type of light emission                         | Radial diffusion |
| Net weight                                     | 0.7 Kg           |
| Electrostatic discharge protection             | No               |
| Surge protection                               | 1.5 KV           |

## Finishing casing

|            |                                      |
|------------|--------------------------------------|
| Material   | Die-cast Aluminium EN AB - 46100     |
| Colour     | Dark brown                           |
| Processing | Open pore anodizing + Powder Coating |

## Finishing diffuser

|          |                            |
|----------|----------------------------|
| Material | UV Resistant Polycarbonate |
| Colour   | transparent                |

## Finishing base

|          |       |
|----------|-------|
| Material | PC    |
| Colour   | black |
